AMERICAN COIN SCALE.

*PART III, RUSSIAN COLLECTION*, comprises the entire remainder of the large and fine *COLLECTION* of *COINS*, etc., formed by *WM. B. EDWARDS, Esq.*, during a sojourn of twenty-eight years in various parts of the *RUSSIAN EMPIRE*.

Besides the very choice specimens of Greek Coinage, the distinguishing and characteristic features of this Part consist unquestionably in the *SUPERB SERIES OF ROMAN G. & M. B.*, equal, if not superior, to any ever offered at public or private sale in America.

To make this sale interesting to those who do not collect Ancient Coins, I have added a small but fine selection of extremely rare *AMERICAN COLONIAL COINS AND MEDALS*, fine *GOLD* and other *COINS* of early *MINT ISSUES*, a lately discovered specimen of the *CONFEDERATE STATES HALF DIME*, rare *SPANISH-AMERICAN PROCLAMATION DOLLARS*, rare *COPPER COINS*, etc., and also, at the end, a small Collection of select Ancient Coins, worthy to figure in a first-class catalogue.

Having now spread such a copious and varied array of *NUMISMATIC GEMS*, let me express the hope that *COLLECTORS*, into whose hands this catalogue may fall, will not allow the Sale to pass without availing themselves of the extraordinary opportunities offered to purchase most rare and desirable specimens of Ancient and American Coins, at their own valuation.

EXCESSIVELY RARE CONFEDERATE TOKEN.

- 748 Confederate flag, flying r. ; A UNITED SOUTH, 1861. Rev.  
 Blooming tobacco plant. 15 stars. Silver ; half dime  
 size, twice pierced near edge without marring design ;  
 fine.

This little token, more generally known under the name of CONFED-  
 ERATE HALF DIME, was unquestionably issued in the South by some  
 patriotic Southerner, during the first year of the Civil War. Something  
 of its existence has been known to well informed collectors, and a few  
 years ago we heard of a specimen held at a fabulous price by one of the  
 officers of a Southern bank, but this is certainly its first appearance in a  
 Coin Sale catalogue. Like the 1802 Half Dime, this coin is of modest  
 and unpretentious appearance, but in its field it is at least of equal impor-  
 tance and ought to command a commensurate price.
